THE SIX

& COMPASSION

Teaching Retreat with
Gehlek Rimpoche
11-17 December 2006

Sessions will be conducted in English at
Cititel Hotel, MidValley, Kuala Lumpur

Gehlek Rimpoche, one of the greatest
Tibetan Buddhist master and author of the
international bestselling book Good Life,
Good Death and the Tara Box, will be here
once again in Kuala Lumpur, this time to
conduct teachings on The Six Paramitas
(Perfections) and Compassion.

Originally taught by Buddha Shakamuni,
each of these 6 Paramitas was recently
taught by Gehlek Rimpoche separately, over
6 different cities throughout USA and
Europe. Now, together with the Four-armed
Chenrezig Initiation/blessing session, this
great teaching of ALL 6 Paramitas will be
brought together by Gehlek Rimpoche for
the very first time for us in Malaysia!

Come and learn through Gehlek Rimpoche,
these skilful teachings, how we can all
manifest and unfold those potentials within us!

“As a recognized incarnate lama, Gehlek
Rimpoche puts his clear understanding to good
effect sharing insights and teachings of
Buddhism with modern readers in terms that
they can easily understand and put into
practice.”
